Anne Thompson is the Chief Financial Officer at Coblentz. She brings 25 years of experience in financial management in the professional services industry, having worked in both law firms and a CPA firm. Anne is responsible for the overall planning, organizing, and execution of all finance and accounting functions at the firm. She oversees financial reporting and analysis, including financial statements, performance evaluation, and budget management. Anne leads the development of revenue and expense budgets, monitors performance, and provides strategic insights. Additionally, she oversees daily financial operations, ensures regulatory compliance, maintains internal controls, and oversees payroll, partner compensation, and the conflicts team. Anne leads a team of 15.

Anne received her B.A. from the University of Houston. She is a member of the Association of Legal Administrators and Financial Executives International.

Education

- B.A., University of Houston
